Education

Seoul National University

M.S. IN STATISTICS

- Advisor: Jeongmin Jeon

Seoul, S.Korea

Mar. 2025 – Present

Sungkyunkwan University

B.A. IN PSYCHOLOGY, B.E. IN STATISTICS, B.S. IN MATHEMATICS (TRIPLE MAJOR)

- Total GPA: 4.46/4.5 (189 credits completed)
- **Valedictorian**, Summa Cum Laude

Seoul, S.Korea

Mar. 2017 – Feb. 2025

Research Experience

Mathematical Data Science Lab, Seoul National University

GRADUATE STUDENT RESEARCHER (Advisor: Jeongmin Jeon)

- Studying nonparametric methods for regression and density estimation with measurement error.
- Exploring statistical inference for mixed Euclidean and non-Euclidean data.

Seoul, S. Korea

Jun. 2026 – Present

Model-Free Statistical Methods Lab, Seoul National University

GRADUATE STUDENT RESEARCHER (Advisor: Haeun Moon)

- Developing conformal distribution estimation methods for synthetic data generation.
- Extending the localized conformal prediction framework toward predictive distribution estimation.

Seoul, S. Korea

Jun. 2025 – May 2026

Teaching Experience

2026 **Lab Instructor**, Discrete Data Analysis and Lab (R, Fall 2026)

2026 **Lab Instructor**, Nonparametric Statistics and Lab (R, Spring 2026)

2025 **Lab Instructor**, Data Analysis Bootcamp (Python, Winter 2025)

2025 **Lab Instructor**, Data Analysis and Lab (R, Fall 2025)

2025 **Lab Instructor**, Data Analysis Bootcamp (Python, Summer 2025)

2025 **Grader**, Statistics Lab (R, Spring 2025)

Awards & Honors

2026 **Best Teaching Assistant Award (Kim Woonchul Teaching Award)**, Awarded to one student for excellence in teaching assistance in the Department of Statistics

Seoul, S. Korea

2026 **Next Generation Scholarship in Basic Sciences**, Selected for outstanding academic performance and research potential

Seoul, S. Korea

2025 **Dr. Yuilhan Scholarship**, Yuhan foundation scholarship for outstanding graduate student

Seoul, S.Korea

2025 **GSI Appointment (Teaching & Research Assistant)**, Assisted faculty with lectures and research

Seoul, S.Korea

2025 **President's Award**, Graduated with rank #1 in the College of Social Sciences

Seoul, S.Korea

2025 **SKKU Summa Cum Laude**, Top 5% of the Department in overall GPA

Seoul, S.Korea

2023 **Global Center Donor Scholarship**, Awarded to one outstanding student from each college

Seoul, S.Korea

2017–2023 **Academic Excellence Scholarship**, Recognized for outstanding academic achievements

Seoul, S.Korea

2019 **Excellence Award**, Outstanding achievement at the Psychology Research Conference

Seoul, S.Korea

Extracurricular Activity

ESP (Explorers of Social Psychology)

CORE MEMBER

- Studied graduate-level psychology textbooks and research papers; participated in seminars and research projects.
- Presented at the Korean Psychological Association's Undergraduate Poster Conference.
- Presented research at the university's psychology symposium.

Seoul, S.Korea

Sep. 2018 – Aug. 2020

Presentations

2025 Kyushu–SNU Statistics and Data Science Workshop

Fukuoka, Japan

INVITED TALK

Nov. 2025

- Presented a research talk titled “Constructing Conformal Predictive Distributions via Kernel-Localized Residuals”.
- Discussed distribution-free approaches to predictive distribution calibration under high-dimensional scenarios.

The 15th Psychology Research Conference, Sungkyunkwan University

Seoul, S.Korea

PRESENTER

Nov. 2019

- Presented findings on the impact of supporters’ cognition—modulated by self-construal in social rejection contexts—on group commitment.

Korean Psychological Association Summer Conference (Undergraduate Poster Session)

Seoul, S.Korea

PRESENTER

Aug. 2019

- Presented a poster on how supporters’ cognitive processes, shaped by self-construal in social rejection contexts, affect group commitment.
